

## MODERN APPRENTICESHIP PROGRAMME

### SOCIAL SERVICES CHILDREN AND YOUNG PEOPLE

All Children and Young people centres need staff who are able to deliver a high quality standard of care. It is important that staff employed in this area are properly trained in the skills and knowledge required to enhance the life of children and young people they support.

RT Resources Ltd can offer the Social Services Children and Young People Apprenticeship at SCQF Level 7 whilst you are placed as a Modern Apprentice in a local Care Centre.

The Social Services and Children and Young People MA has been developed for candidates working in a variety of young people and children settings. Topics covered include Health and Safety, First Aid, Promoting the Safeguarding of children and young people, Communication and many others. This qualification is achieved in the workplace and is based on ongoing assessment of the new skills and knowledge as you acquire them.

While on the Modern Apprenticeship programme, you are of course in an ideal position to show a potential employer that you are the best person to consider for any long-term employment opportunities. You are proving this by developing your knowledge of care delivery and working towards a nationally recognised qualification at the same time. Many Apprentices now have full-time contracts of employment as a result of the programme.
