HEALTH & SOCIAL CARE: SUPERVISION SCQF 7

This award has been designed to meet the requirements of social service workers who are registered, or could be eligible for registration with the Scottish Social Services Council (SSSC) and are working in a supervisory care role. This award is set at SCQF 7 and has 16 credits.

The award is also designed to provide Continuing Professional Development (CPD) for employees who are in first line management roles, and are responsible for supervision support and give guidance to other staff.

The award consists of two units:

- Health and Social Care: Supervise the Protection of People
- Health and Social Care: Supervise People

Candidates undertaking this award should have effective communication and interpersonal skills and a relevant qualification or experience at SVQ level 3 or above.

The 12 week course is based on 40 hours of Open Learning and is a candidate led award. R T Resources Ltd will provide ongoing Assessor support via email and phone. To achieve the award, learners must complete all activities within workbooks and construct a 3000 "integrated" word essay.

To ensure completion of award, learners are requested to allocate an average of 3 - 4 hours per week study time.
